Sexual and Gender-Based Violence Reduced sexual and gender-based violence (SGBV), including child, early and forced marriage (CEFM) and female genital mutilation and cutting (FGMC).	<ul style="list-style-type: none"> # of people who have experienced, or are at risk of, any form of SGBV that have received related services in the previous 12 months through GAC-funded projects # of women and girls, men and boys, demonstrating positive attitudes towards ending SGBV through GAC-funded projects
Safe, Legal Abortion and Post-Abortion Care Enhanced access to safe and legal abortion, and post-abortion care.	<ul style="list-style-type: none"> # of health facilities that provide care for complications related to unsafe abortion or, where it is not against the law, that provide safe abortion through GAC-funded projects # of health professionals trained to provide safe abortion and post-abortion care through GAC-funded projects # of women provided with a safe, legal abortion or post-abortion care through GAC-funded projects
Advocacy and Public Engagement <i>Programming in this area contributes to all SRHR Gap Areas.</i>	<ul style="list-style-type: none"> # of advocacy and public engagement activities completed by GAC-funded partners which are focused on SRHR # of national laws, policies and strategies relating to SRHR implemented or strengthened, through GAC-funded projects # of women's rights organizations and networks (international and local) advancing SRHR that receive direct GAC support or that receive support* from GAC-funded partners *support is financial or other

¹ Canada has signed on to the FP2020 Global Adolescent Data Statement committing to the collection, use and reporting of age and sex-disaggregated data, including for adolescents. In addition to age and sex disaggregation, where feasible and appropriate data should also be disaggregated by factors such as marital status, marginalized status, geographic, wealth and other relevant identifiers.
