<b>Day 1:</b>  <b>Tuesday</b>  <b>April 28</b>	8:30 - 9:00 AM	<b>Doors &amp; Registration Open</b>				Expo:  Programming and content for the GHI Expo + Exchange is offered through three pillars: stage sessions, exhibits (Expo) and networking sessions. In some cases, content is best delivered on stage; in other cases through an interactive exhibit.  In order to capture the full range of content and topics of focus at the event, visitors are encouraged to access all three pillars.  The Expo will operate in all Expo rooms throughout the event, including when a session is taking place on stage (and broadcast throughout the building). This format will ensure that guests can continue to access the complete GHI Expo+Exchange experience no matter where they are located in the venue at any given time. The exception to this is during the Rapidfire talks in the Theatre Room when all other programming will pause.
