					Region					Gender		Age		
			Canada 2019-06	Atlantic	Quebec	Ontario	Prairies	British Columbia	Male	Female	18 to 34	35 to 54	55 plus
Question - Improving the health of women and children in the world's poorest countries is one of Canada's top international development priorities. Canada has taken a global leadership role in ensuring that women, maternal and child health remains a priority on the global international development agenda. Canada spearheaded summits in 2010, 2014 and 2018 on maternal, newborn and child health. Before this survey, were you aware of this?	Total	Unwgt N	1523	156	353	466	309	239	810	713	319	628	576
		Wgt N	1500	150	375	450	300	226	737	763	407	510	584
