

PIERROT

Pierrot is a champion of children's rights and gender equality, sexual and reproductive health and rights (SRHR) and in advocacy at the national and regional levels.

In response to the COVID-19 pandemic, Pierrot played an instrumental role in strategically re-allocating funds to support health facilities by organizing TV sessions on comprehensive sexuality education (CSE) for adolescent girls and boys during school closures.

Kinshasa, Democratic Republic of Congo

BIEN GRANDIR PLUS

Save the Children

In partnership with Canada

Project Purpose
Enhance the equitable use of age-segmented, gender responsive SRH information and services by VYA (10-14 years) and OA (15-19 years)

Designed to Achieve
Improve access to SRHR services and information to adolescent girls and boys (10-19 years old) and improve quality of SRH services and SGBV

78%
Of health facilities are providing gender and adolescent responsive SRH services

31% Increase
In the level of knowledge of adolescents boys and girls (10-19 years old) in relation to puberty and fertility

13% Increase
In the average monthly visits of adolescent girls to Family Planning services

37% Decrease
In health facilities experiencing stock-outs in contraceptives
