Project Purpose

Tackling poverty and improving the lives of local communities by providing food packs and undertaking a range of integrated skills and career development programs amongst families in Afghanistan.

Designed to Achieve

Help those who cannot afford their families' expenses and are under the poverty level but are willing to learn skills or careers to have a sustained income in the long term.

Afghanistan

Family members received access to healthy food items.

Served 200 families, including men, women, children and the elderly.

Decrease in the percentage of people facing food insecurity.

Beneficiaries are no longer living in the poverty cycle and will have a source of income.
